- Students should bring a lunch and either money for food at the show or something to eat at the show - given the time we perform I can't guarantee that students will be able to purchase food after the performance but it is likely that they will. I recommend they bring something to eat after they perform.
- Students should bring plenty of water and stay hydrated throughout the day
- Students should plan to have 1 - 3 people per section bring water into the warm up area
- Bring sunscreen for the rehearsal!
- Bring snacks for the bus
- Students should bring a sweatshirt or a jacket to wear when going back into the stadium for the awards ceremony/concessions
- Arrive home is approximate - your child will let you know when they are ready to be picked up.
- All students stay until the truck is unloaded and everything has been put away.
