- Students should bring a dinner and either money for food at the show or something to eat at the show - given the time we perform I can't guarantee that students will be able to purchase food after the performance. I recommend they bring something to eat after they perform.
- Students should bring plenty of water and stay hydrated throughout the day
- Bring sunscreen!
- Bring snacks for the bus
- Students should bring a sweatshirt or a jacket to wear when going back into the stadium for the awards ceremony/concessions
- Arrive home is approximate - your child will let you know when they are ready to be picked up.
- All students stay until the truck is unloaded and everything has been put away.
